**Report****A9-0020/2020****Sven Mikser**

Recommendation to the VP/HR and to the Council in preparation of the 2020 Non-Proliferation of Nuclear Weapons Treaty (NPT) review process, nuclear arms control and nuclear disarmament options  
(2020/2004(INI))

**Proposal for a recommendation****Paragraph 1 (v)***Proposal for a recommendation*

(v) highlight the contribution made by the NATO states in fulfilling their commitments under the NPT as regards reducing *the* stock of nuclear weapons *by* **95 %** since the end of the Cold War, detargeting them, reducing their alert status and downgrading their role in defence; call on **NATO** and the other NPT signatory states to pursue their efforts in further reducing nuclear weapons in full compliance with the NPT, on the basis of the step-by-step approach that promotes international stability and security;

*Amendment*

(v) highlight the contribution made by the NATO states **and Russia** in fulfilling their commitments under the NPT as regards **substantially** reducing *their* stock of nuclear weapons since the end of the Cold War, detargeting them, reducing their alert status and downgrading their role in defence; call on **both parties** and the other NPT signatory states to pursue their efforts in further reducing nuclear weapons in full compliance with the NPT, on the basis of the step-by-step approach that promotes international stability and security;

Recommendation to the VP/HR and to the Council in preparation of the 2020 Non-Proliferation of Nuclear Weapons Treaty (NPT) review process, nuclear arms control and nuclear disarmament options  
(2020/2004(INI))

**Proposal for a recommendation****Paragraph 1 (w)***Proposal for a recommendation*

(w) note that the adoption of the TPNW by 122 countries, with it now having being signed by **80** states and ratified by **35**, is evidence of the desire to achieve the objective of a nuclear weapons-free world; stress that nuclear disarmament ***cannot be separated from collective security and can only be achieved by taking the strategic context into account, and that it must be part of*** a gradual process guaranteeing the undiminished security of all while preventing any new arms race; recall that, as a means of preventing the quantitative development of nuclear weapons arsenals, the Fissile Material Cutoff Treaty is a vital and irreplaceable step towards a world free of nuclear weapons;

*Amendment*

(w) note that the adoption of the TPNW by 122 countries, with it now having being signed by **84** states and ratified by **46**, is evidence of the desire to achieve the objective of a nuclear weapons-free world; ***point out that the ratification of the TPNW by four more United Nations member states will allow it to enter into force***; stress that nuclear disarmament must ***include*** a gradual process guaranteeing the undiminished security of all while preventing any new arms race; recall that, as a means of preventing the quantitative development of nuclear weapons arsenals, the Fissile Material Cutoff Treaty is a vital and irreplaceable step towards a world free of nuclear weapons; ***urges all EU Member States to sign and ratify the TPNW***;
